Notes

- Usage is judged on submissions only; form or survey embeds, funnel references, and workflow references were not checked.
- Survey submission history was checked from January 1, 2026; activity before that date is not represented.
- “Last 90 Days” follows the previously prepared usage scan. Status thresholds and totals are as of November 4, 2026.
- The reported forms aggregate is 1,233, while the 32 listed Total Submissions values sum to 664; the difference was not reconciled.
